(Isaiah 9:6) A child is born to us! A son is given to us! And he will be our ruler. He will be called, "Wonderful Counselor," Mighty God," "Eternal Father," "Prince of Peace."

Teacher Interview Ms. Valerie Moses

What are the skills that you think make students most successful in school?

I believe that students are the most successful in school when they are self-motivated and are vested in their own education. If your desire to learn and succeed comes from inside yourself you

can persevere and defy expectations and circumstances.

Is there a quote that defines your perception of life? If so, what is it?

(2 Corinthians 12:9) "But He said to me, "My grace is sufficient for you, for My power is made perfect in weakness." When you are overwhelmed and out of options - if you reach out to God, that is when His power is perfected in us.

What advice would you give to students that want to pursue careers but do not have the support base at home to encourage them?

Reach Out! If you are in that kind of situation it can be tempting to shut down or isolate yourself. But if you open up and reach out to adults around you at church, school and work etc. You'll be surprised by people's insight, generosity and kindness. God will put people in your life to help you if you are honoring Him first. Seek His kingdom and all the rest will be added.
